

TRAIN TICKET

IDEA

The Train Ticket App allows you to book tickets to and from anywhere in Egypt. Once you open the app you'll either be prompted to log in with your already-existing credentials or to register with a new account if its your first time using the app.

 <p>The Sign In screen features a high-speed train illustration at the top. Below it, the text "SIGN IN" is prominently displayed, followed by the tagline "Travel Wherever you want with the best price". There are two input fields: "Enter your Email" and "Enter your password". A red link "Forgot your password" is positioned below the password field. A large red "Login" button is at the bottom. At the very bottom, there is a link "Need an Account? Register".</p>	 <p>The Register screen has a header "Ready to join us..?" with a train icon. It asks the user to "Please fill the following fields" and provides four input fields: "Enter your Name", "Enter your Email", "Enter your phone number", and "Enter your password" (with a strength indicator). A "Confirm your password" field follows. A large red "Register" button is centered below the fields. At the bottom, there is a link "Already a user? Login".</p>	 <p>The Forgot Password screen features a large red padlock icon. Below it, the text "Forgot Password" is displayed. A message states: "Provide your email and we will send you a link to reset your password". There is an "Enter your Email" input field. A large red "Rest Password" button is at the bottom.</p>
<p>A sign in page that asks you for your login information with the option to reset your forgotten password or to register for a new account if you're a new user.</p>	<p>If you're a new user and selected the "Register" option, you'll be redirected to the registration page, where you'll be asked for your name, email, phone number and to create a password.</p>	<p>If you're an existing user that forgot his password and selected the "Forgot your password" option, you'll be asked to enter your email, where we'll send you a code to reset your password and redirect you to the reset password page.</p>

Rest Password

Rest Password

Once you send us your email, you'll be sent a code and redirected to this page where you'll enter said code and create a new password.

Once you book your ticket, we will provide you with the ticket information confirming your trip and providing you with a QR code that gives you a copy of the ticket you can save on your phone.

The home page shows you the tickets you have where you can either inspect the ticket for further information or delete the ticket to cancel your trip.

The settings page allows you to change the password, change the language (Arabic or English), either receive notifications or not, either remind you of an upcoming ticket or not or receive app updates to keep the apps functionality up to date.

This is an example of how the app would look like with the language set to Arabic.

<

Change Password

*** Enter your Old password

*** Enter your New password

*** Enter your Confirm password

Change Password

And lastly, this is another example of where you'll be redirected to if you choose to change your current password to a new one. You'll be asked to put your old password then enter a new one and confirm it.
